Report on the SRP Training on the Spoken English Programme for Students -Level 1, 2, 3 (Class I - X)

19.09.2026

The Government of Karnataka plans to introduce Spoken English Programme (SEP) for students of class I to X in the government schools. Considering this proposal, RIESI Bengaluru prepared the Spoken English Module for students and conducted 3-day training programme for the State Resource Persons (SRPs) from 16.09.26- 18.09.26) in collaboration with Directorate of State Educational Research and Training (DSERT) and Samagra Shikshana Karnataka.

Objectives of the training:

- To help the SRPs understand the objectives and the course design of the Spoken English for student's module.
- To provide hands-on experience to the SRPs on the module.
- To make them understand their roles and responsibilities.
- To provide them proper guidelines on the training schedule of the guest teachers.

Three -Day Training for the SRPs

The module of the training included snippets of the SEP module for students- the six-month activities distribution plan, a few units of Level 1 (class-1.2.3) and Level 2 (Class- 4,5,6) and Level 3 (class, 7,8,9,10), the quarterly assessment pattern and the schedule for online training of the guest teachers.

The training was conducted for three days from 10.00 am to 5.00 pm, where sample lessons of the SEP module were transacted. The SRPs were made to experience the activities given in the module.

A total of 102 out of the 105 SRPs targeted attended the training. 3 from each district were called for the training. They were expected to participate in the activities conducted in the class. Most of them participated, sought clarifications on the modules and on the modality of the online training that they need to cascade to the guest teachers.

By the end of the training, most of the other clarifications- like, will it be mono-grade or multi-grade class? Will the teachers and the students receive modules and handouts? How many classes per week will be for spoken English? Will it be a face to face or online training for the guest teachers? Will the audio videos of the module be supplied? Etc, were addressed,

Thus at 5.00 pm on 18.09.26 the training ended with the SRPs having better clarity of their roles and responsibilities.
